

WHOSE VOICE ARE YOU LISTENING TO?

Carl Kerby • Compass Bible Church • December 29 & 30, 2018 • Msg. # G18-12

Notes:

Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others. For more information about small groups at Compass Bible Church that utilize these questions as the basis for their weekly discussion, please call the church office at (949) 540-0699 or email us at SmallGroups@CompassChurch.org.

1. The problem is NOT that we _____ it's that we don't _____
_____!

What's your mechanism for dealing with this problem and what can you do to better deal with it?

2. The average time those ages 8-18 spend online is: _____ hours a year!

How much time are you spending on the internet and is this impacting your life in a positive or negative way?

3. What is a consequence of teenagers spending this much time on the internet according to Dr. Caroline Leaf?

If there's a problem with these numbers in your house or family, what actions can you take to address the issue?

4. The average time spent watching TV is: _____ hours a year!

If there's a problem with these numbers in your house or family, what actions can you take to address the issue?

5. The average time spent playing video games is: _____ hours a year!

If there's a problem with these numbers in your house or family, what actions can you take to address the issue?

6. "The majority of children in America have fewer than _____ minutes of significant and meaningful conversations with their parents each _____! If you remove the _____ you can measure this statistic in _____."

If there's a problem with these numbers in your house or family, what actions can you take to address the issue?

7. Which "voice" are you going to allow to impact you and your family's life?

If there's a problem in your house or family with listening to the wrong "voice," what actions can you take to address the issue?
